

AUDIT OVERSIGHT BOARD
Terms of Reference
Deputy Director/Quality Assurance Inspector

The Audit Oversight Board, an independent audit regulator based in Islamabad, is seeking qualified and experienced professionals for the position of Deputy Director/Quality Assurance Inspector. Applicants are expected to have a high level of competence in auditing and financial reporting.

Working at AOB will offer the opportunity to use your skill and experience in auditing to participate in a rigorous program of oversight of registered audit firms including:

- Conducting Quality Assurance inspections of Audit firms;
- Assessing the audit firm's quality control structures and their impact on audit quality;
- Gathering and organizing information to support identified inspection issues;
- Researching and consulting with other experts on technical issues in auditing;
- Preparing technical comments and assisting in drafting of inspections reports;
- Developing inspection and investigation manuals; and
- Perform any other task as assigned.

You will also able to:

- Enhance your technical skills through inspections activities and collaboration with highly skilled inspection team;
- Participate in inspection projects aimed at enhancing the effectiveness of the Inspection program; and
- Participate in developmental training courses as per policy.

Position	Deputy Director/Quality Assurance Inspector	Merit=01
Minimum Qualification	Qualified accountants from a professional accounting body, recognized by the International Federation of Accountants (IFAC)	
Minimum relevant work experience	Deputy Director/Quality Assurance Inspector: Three Years	

The complete job description can be viewed at aob.gov.pk. Applicants meeting the job requirements may submit their resumes through aob.gov.pk/careers within the 15 days of the publication of this advertisement. Only shortlisted applicants will be contacted for interview.
